From the Principal

Welcome back to all our families returning for a bright new year. I also wish to welcome all the new families enrolling at Bonnyrigg High School for the first time. You have chosen an excellent school and one which will provide a top education for your child. Again we had many students achieving over 90 ATAR at the HSC and many students scoring over 80 ATAR. The Dux of Year 12 for 2013 was Ninos Mansor achieving 99.20 ATAR. Bonnyrigg High was mentioned in the High Achievers list for the HSC. We had 29 band 6 (the highest band) achieved, spread across 16 subjects: the best the school has achieved. Our proportion of students gaining entry into university is again above the state average, a remarkable result. We are still contacting students about their career choices and we know our results will increase even higher. However, we cannot dwell on the past and we need to push forward to ensure this year’s HSC class can achieve their very best.

We also welcome new staff: Ms S Trees in PDHPE; Mr B Allen in IA; Mr L Ferguson in HEC and Mr A Truong in Maths (a former school captain of BHS).

Welcome back Mr Tran from a year’s leave; Ms Sekki, Ms Chambers and Ms Magoutas from Maternity Leave.

School uniform is important and, while most students are able to meet the requirements some students deliberately choose not to wear the correct uniform. We will be vigilant again this year, pushing full school uniform that includes Sport/PE uniform. All students must be in the correct Sport uniform when playing Sport or PE.

Student enrolments have continued to grow, especially in transition points of Years 7 & 11. The trend has been very positive for a few years now. With our reputation for Excellence in Teaching and Learning, more local families are choosing Bonnyrigg for their children’s education.

Please take note of the calendar dates as presented. The newsletter will be issued every two weeks to provide up to date information. To save on significant expense we will be asking parents for email addresses to email the newsletter home. P&C / Parent Forums are held twice each term and I encourage all parents to attend, interpreters can be provided. This year we have separated the Parent Forums, still on Wednesday nights, from the P&C on Friday afternoons. Parent Forums will still be all the information you want to know about the school, without the fundraising! P&C has been tied to our St John Ambulance Cadets as they have been the major signatory for fundraising. Please ask or have your child ask Mrs Borg, our Community Partnerships Officer, to arrange an interpreter.

At the end of 2013, a number of projects were undertaken to improve the school. The Oval has been dug up and returfed as promised and the hall has a new roof; both have been completed. Unfortunately, there was a hold up in receiving the new lifts, from overseas, for disability access and the completion date is now 7th February. Once this is completed we will be able to work on pavement areas around the school. I look forward to a positive year with the Bonnyrigg Community. All the construction changes talked about last year are almost finished! 2014 will be another very big year of change at Bonnyrigg High School.

Until next time,

MN Bryce - Principal
