STRIVE SCHOLARSHIPS

Financial support and tutorial packages for primary, secondary and tertiary students.
The Strive Scholarships scheme is designed to assist tenants by easing the financial burden of educating their children and/or themselves. SGCH encourages education as a way of building community capacity, leading to future social and economic engagement in society.

Strive Scholarships are available for SGCH residents and their dependent children. They are designed to encourage students in primary, secondary and tertiary education. Scholarship categories range from $400 to $1,500 per year. Scholarships are in place to assist with the costs of education, and funds can be used to purchase computers, software, books, school supplies or tuition.

Scholarships are awarded to students at SGCH’s Strive Ceremony at the beginning of the academic year. Additionally, a number of educational scholarships for primary and secondary applicants are available courtesy of Kip McGrath Education Centres.

Kip McGrath scholarships are valued at $2,400 each and are designed to assist students who have identified a specific learning goal they would like to achieve, or students who need to catch up on learning.
