Introducing Sukie our Confucius Classroom Volunteer Teacher

My name is Sukie, I am from China. My Chinese name is Suhong Lyu (吕素红). I completed my Bachelor degree last year (2014) in Teaching Chinese as a Second Language at University. I am doing my Masters degree at present. I will be working at Bonnyrigg High School as a Teaching Assistant until August 2016.

I arrived in Australia in August 2015. Australia is a country full of beauty and mystery. It is a totally different country, from food and language to habit and viewpoint from China. It is a privilege to work at Bonnyrigg High School - Bonnyrigg High is a fantastic school with friendly staff and dynamic students. Every day is a wonderful day filled with smiles and challenges and lots of new things to be learnt.

Language is not only a way to communicate, it is also a way to know the world better. I hope that I can encourage more students to learn Chinese language and culture. China is the fourth largest country in the world (nearly 1.2 billion people speak Chinese –around 16% of the world’s population).
